Q4_5_TEXT - Other

Other
Saw it going on behind the Reitz
Just saw it when it was going on
Walked by the fair
I walked into it on accident. Actually.
Instructor
Class
I saw it happening
Greter González from UF IT
Passed by the union!

Walking into reitz union

Q5 - Is there an IT-based service or organization at UF that you'd like to see included in the next Student Tech Fair?

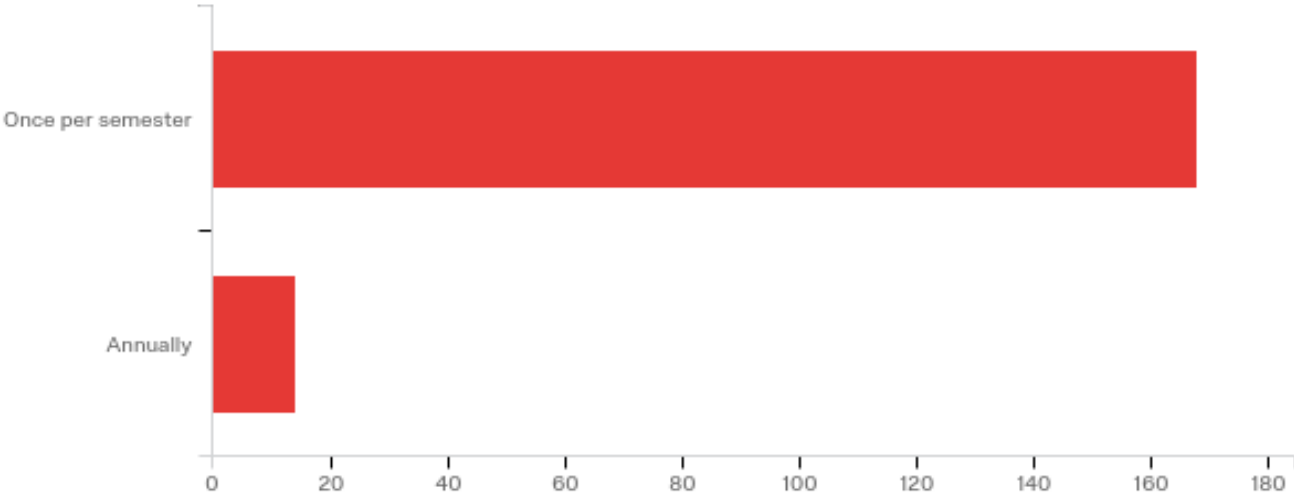

Is there an IT-based service or organization at UF that you'd like to see i...
The Beaty computer center.
Coding organizations
Egg
Perhaps tech majors? Might have been some of that, but didn't find across any.
I thought it was really great this year! I learned a lot!
Nothing that I can think of. There was a great variety of booths there today!
elearning
More android based services instead of just apple specific services.
Not that I know of
N/A
Nope it was great!!!
Not that I can think of.
Gator innovators, gator entrepreneurs, some student design teams and products
Microsoft HoloLens usage in games
None
Not sure. Majority of the tables were new to me so it was great
None
Cyber security
DHNet services. Have Matt Pendleton update the students on the current state of on campus technology
N/A
No
I'd like to see any new technology being introduced.
None
I'm good.
No
Photography
Not that I can remember at the moment

Maybe more info on how to optimize storage
It would be quite indulging to see more of Information Security companies, as well as other companies such as SpaceX @ Semens.
3D printing
Not that I know of
I do not know of any
N/a
No
Joep
I would like to see more of the VR app. That was very interesting.
No
Gator VR Club
No
UF research computing
Not that I know of.
Coding
N/A
Not really
Not really
Microsoft/Google
No, I think everything I saw was cool
Virtual Reality/Oculus Rift
Adobe reps or Microsoft latest technology
Great fair! The more tech I can try the better.
N/A
I think everything was covered. I would like the setup to be more conducive for going to every booth. It would help students learn more.
Not really
No
More apple care
Photography software
Not sure
Not familiar with any

I cannot think of any
no
None that I can think of.
UFapps
Coding
Yeah Educational technology department
No
Not in particular
I feel that there was enough people representing every tech organization at UF. I really liked the 3D printing booth
Robotics lab
Apple
ADOBE PHOTOSHOP
No, all participants seem very valuable to UF and cannot think of anything else.
Not that I know of
None
Web designers for free
none
Idk
It would be nice to see organizations like ACM and ACE at the event
Perhaps a registration booth geared toward helping with any registration technology questions.
N/A.
N/a
some cool tech for student to use
Nope this was awesome
Not familiar
Yes
NO. Seems like you have covered most of it. However, I would like if there is a centralized system for all the vending machine losses and the IT department undertakes putting up CCTV cameras with the police department to make the campus more secure.
No.
No
MORE 3d printing!
UF surplus

Nope
ACM
None that I can think of.
N/a
Nope
None i can think of!
Na
Microsoft virtual reality goggles
No....it was an awesome display....go Gators!!
N/a
No
Too many rows for PDF export, try exporting to Word or CSV

Q6 - Tech Fair should be held _____ to be valuable to students.

#	Answer	%	Count
1	Once per semester	92.31%	168
2	Annually	7.69%	14
	Total	100%	182
